Machine Learning Research Engineer

About me

My name is Odyssefs Diamantopoulos-Pantaleon. I am 23 years old and I currently reside in Athens, Greece. At the moment, I am enrolled in the MSc in Computer Science at the Athens University of Economics and Business (AUEB). I am academically and professionally interested in Reinforcement Learning, Natural Language Processing, and Large Language Models. I am always eager to expand my knowledge and to embrace new opportunities.

Experience

2023-Present

Machine Learning Research Engineer
Athens, Greece · Plegma Labs
Since February 2023, I have been working as a Machine Learning Research Engineer in the Research Department of Plegma Labs, conducting research on residential energy consumption. Specifically, exploring the creation of Residential Energy Managers, using Reinforcement Learning techniques.

2022-Present

Machine Learning Research Engineer
Athens, Greece · Helvia.ai
Since November 2022, I have been working as a Machine Learning Research Engineer in the research department of Helvia. During this time we conducted research on patent classification and won the European Patent Office (EPO) Codefest 2023 contest and published a research paper at the FinNLP conference.

2022-Present

Research and Teacher Assistant
Athens, Greece · Athens University of Economics and Business
Conducting research on Reinforcement Learning as a member of the Mobile Multimedia Laboratory (MMlab). Specifically, exploring Appliance Scheduling methods in order to cut energy costs using Reinforcement Learning techniques.
Teaching assistant on AUEB's BSc courses of "Mathematics 1" and "Data Bases".

Education

2022-2023

MSc in Computer Science
